

**AGREEMENT BETWEEN
THE OFFICE OF THE ATTORNEY GENERAL
AND
THE SUPREME COURT OF TEXAS**

OAG Contract No. 2215291

This contract is executed between the Office of the Attorney General (OAG) and the Supreme Court of Texas (Supreme Court). The Office of the Attorney General and the Supreme Court of Texas may be referred to in this contract individually as “Party” or collectively as “Parties.”

SECTION 1. PURPOSES OF THE CONTRACT

The Texas Legislature appropriated funds to the OAG for the creation of a program that would provide civil legal representation of victims of crime, immediate family members of victims, or authorized claimants in civil legal matters that are directly related to the criminal victimization. The Supreme Court has implemented and is currently managing the funding of a state-wide system for delivery of civil legal services to low income Texans. The OAG and the Supreme Court agree that the most cost effective and efficient means of delivering legal services to victims of crimes is to utilize the Supreme Court’s management and oversight infrastructure. The OAG will provide funding to the Supreme Court to provide state-wide victim-related civil legal services directly to victims of crime, immediate family members of victims, or authorized claimants. The purpose of this grant contract is to use the compensation from the victims of crime fund to provide victim-related civil legal services directly to victims, immediate family members, or claimants. It is envisioned that the Supreme Court will identify at least one recipient of these grant funds and in turn, that recipient will then identify a number of subrecipients of these grant funds.

SECTION 2. TERM OF THE CONTRACT

This contract shall begin on September 1, 2021 and shall terminate August 31, 2022, unless it is terminated earlier in accordance with Section 6 of this contract.

SECTION 3. SUPREME COURT’S CONTRACTUAL SERVICES

The Supreme Court will:

3.1 Identify and contract with appropriate entities, recipients and subrecipients, to deliver state-wide crime victim-related civil legal services;

- 3.2** Plan, develop and implement financial and management controls to effectively manage the delivery of legal services and to reimburse the recipient and subrecipients for crime victim-related legal services;
- 3.3** Maintain detailed programmatic and financial records and permit the OAG or the Office of the State Auditor to evaluate the appropriateness and accuracy of the financial and management controls;
- 3.4** Collect data and deliver reports to the OAG to permit the OAG to report the status and success of this effort to the Legislature or other interested individuals;
- 3.5** Have the sole right and responsibility to manage, control and make all decisions regarding planning, implementation, operation, and procurement and contracting for services;
- 3.6** Require that the recipient and subrecipients fully comply with Article I, Section 31 of the Texas Constitution; the Texas Code of Criminal Procedure, Chapters 56, 56A, and 56B; and any other applicable state or federal provisions relating to this grant program in implementing this contract;
- 3.7** Establish and communicate to the recipient and subrecipients receiving grant funds the eligibility requirements that will be used to conduct eligibility screening for each individual seeking victim-related civil legal services; and
- 3.8** Require that the recipient and subrecipients are obtaining audits in accordance with the State of Texas Single Audit Circular and requiring that the audits are made by an independent auditor in accordance with generally accepted government auditing standards covering financial and compliance audits.

The Supreme Court will ensure the recipient and subrecipients agree to use the intake screening form supplied by the OAG (a copy of the intake screening form is attached hereto as Exhibit A). A copy of all intake screening forms and supporting documentation for each shall be maintained by the Supreme Court or by the recipient in one or more central locations as determined by the Supreme Court or the recipient and shall be made available to the OAG or any party the OAG determines should have access to the documents

at any reasonable time.

4.5 Other Reports. From time to time, the OAG may request additional reports from the Supreme Court. The Supreme Court will comply with all reasonable requests.

4.6 Security and Confidentiality of Records. The Supreme Court shall establish a method to secure the confidentiality of records required to be kept confidential by applicable federal or state law, rules or regulations. This provision shall not be construed as limiting the OAG's access to such records and other information, assuming the OAG is not otherwise prohibited from access to the information.

The Supreme Court will take the necessary steps to ensure the recipient and subrecipients understand and agree with this provision to establish a method to secure the confidentiality of records and other information relating to clients in accordance with applicable federal and state law, rules and regulations. This provision shall not be constructed as limiting the OAG's access to such records and other information, assuming the OAG is not otherwise prohibited from access to information.

4.8 Financial Matters; Audits; Monitoring of Recipients and Subrecipients.

4.8.1. Annual Budgets. With regard to the use of funds pursuant to this contract, the Supreme Court will require the recipient to submit to the OAG its projected annual budget for each fiscal year, on or before October 1 of the fiscal year, including budget details in each cost category, and the number of personnel employed under the grant and the annual time to be worked on grant-related activities. With regard to the subrecipients and the use of funds pursuant to the contract between recipient and the subrecipients pursuant to this contract, the Supreme Court will obtain from the subrecipients, and submit to the OAG, the subrecipient's projected annual budget for the fiscal year, on or before October 1 of the fiscal year, or within thirty (30) calendar days of the effective date of the recipient's contract with a subrecipient, including budget details in each cost category, and the number of personnel employed under the contract and the annual time to be worked on grant-related activities, before any funds are paid to that subrecipient.

For each recipient and subrecipient that receives funding pursuant to this contract, the Supreme Court shall:

4.8.1.1 Identify state awards made, by informing each recipient and subrecipients of the state program name, state program number, award name and number, and award year.

4.8.1.2 Require recipient and subrecipients to comply with the applicable federal and state laws, rules and regulations, directives, assurances, guidelines, CFRs, executive orders, Texas Grant Management Standards (“TxGMS”) or any other authorities relevant to the recipient’s performance, including any authorities relating to programmatic, financial, accounting and/or funding. Recipients and subrecipients will also be required to ensure that they will adhere to Generally Accepted Accounting Principles (GAAP) promulgated by the American Institute of Certified Public Accountants.

4.8.1.3 Require recipient and subrecipients to ensure they have obtained all licenses, certifications, permits and authorizations necessary to perform their responsibilities and are currently in good standing with all regulatory agencies that regulate any aspect of the recipient’s and subrecipient’s operations.

4.8.1.4 Establish procedures to provide requested technical assistance; ensure that annual independent financial audits, if appropriate or other audited financial statements, related management letters, and management responses are completed and received in a timely manner, and done in accordance with the applicable rules and regulations, including 2 CFR Part 200, titled Uniform Administrative Requirement (Audits of State, Local Government, and Non-Profit Organizations); ensure recipient and subrecipients take the appropriate and timely corrective action as indicated in an audit or other financial examination; and notify the OAG of audit findings and resolutions.

4.8.1.5 Monitor the activities of recipient and subrecipients as necessary to ensure that grant funds are used for authorized purposes, reasonably achieve the performance goals, and are used in an efficient and effective manner.

4.8.1.6 If requested, submit copies of contracts between the recipient and subrecipients involving these grant funds.

4.8.1.7 Require recipient and subrecipients of grant funds under this contract to comply with the applicable terms and conditions of this contract and any other relevant contract terms or conditions otherwise required under applicable state, federal, or local law.

4.8.2. Monthly Invoices. For the purposes set out in this contract, the Supreme Court may submit to the OAG a monthly invoice requesting the reimbursement of its actual costs incurred as a result of providing the services or resources under this contract, or the Supreme Court may submit to the OAG an invoice requesting an advance payment of reimbursable costs. If the Supreme Court requests an advance of reimbursable costs, the invoice must be accompanied with a statement and explanation that an advance is necessary to enable the Supreme Court to provide the services or resources that are the subject matter of this contract.

4.8.3 Advancement of Funds. At the request of the Supreme Court, the OAG may advance funds to the Supreme Court to enable the Supreme Court to provide the services or resources required under this contract. If an advance is made under this section, the OAG and the Supreme Court shall ensure after the services or resources are provided, that the Supreme Court has received only sufficient funds to reimburse its total costs. If the funds advanced to the Supreme Court are in excess of the Supreme Court's actual costs incurred as a result of providing the services or resources required under this contract, then the Supreme Court shall promptly refund the excess payment to the OAG. An advance of funds shall be deemed a reimbursement for the purpose of Texas Government Code, Section 771.008.

4.8.4 Reimbursement. The OAG shall reimburse the Supreme Court the actual costs of providing the services or resources, or the nearest practicable estimate of that cost, up to the total contract amount as stated in this contract. The OAG is not obligated to reimburse expenses that were incurred prior to the commencement or after the termination of this contract.

4.8.5 Refunds and Deductions. If the OAG determines that the Supreme Court has been overpaid grant funds under this contract, such as payments made inadvertently or payments made but later determined to not be actual and allowable allocable costs, the Supreme Court shall refund that amount of the OAG reimbursement identified by the OAG as an overpayment. The OAG may offset and deduct the amount of the overpayment from any amount owed to the Supreme Court, as a reimbursement, but not yet paid by the OAG to the Supreme Court. The OAG may choose to require a payment directly from the Supreme Court rather than offset and deduct a specified amount. The Supreme Court shall refund any overpayment to the OAG within thirty (30) calendar days of the receipt of the notice of the overpayment from the OAG unless an alternate payment plan is specified by the OAG.

4.8.6 Purchase of Equipment; Maintenance and Repair; Title upon Termination. The Supreme Court will ensure the recipient and subrecipients understand and agree to not give any security interest, lien or otherwise encumber any item of equipment purchased with contract funds. The Supreme Court will require by contract the recipient and subrecipients to permanently identify all equipment purchased under this contract by appropriate tags or labels affixed to the equipment. The Supreme Court will ensure the recipient and subrecipients understand and agree to maintain a current inventory of all equipment purchased with contract funds which shall be available to the OAG at all times upon request, however, as between the OAG and the Supreme Court, the recipient and subrecipients, title for equipment will remain with the Supreme Court.

The Supreme Court will ensure the recipient and subrecipients understand and agree to maintain, repair, and protect all equipment purchased in whole or in part with grant funds under this contract so as to ensure the full availability and usefulness of such equipment. In the event the Supreme Court, the recipient, or any subrecipient is indemnified, reimbursed, or otherwise compensated for any loss of, destruction of, or damage to the equipment purchased under this contract, they shall use the proceeds to repair or replace said equipment.

4.8.7 USAS Fund Transfers. The OAG shall timely reimburse the Supreme Court for all billings in accordance with Texas Government Code, Chapter 771. Reimbursements with funds held by the State Comptroller of Public Accounts shall be made via USAS fund transfers and the OAG will initiate the transfers. The Supreme Court shall provide the OAG with all necessary USAS coding elements.

If deemed appropriate by the OAG, the Supreme Court may be placed on Direct Deposit status, and if so, the Supreme Court will complete and submit to the OAG the State Comptroller's Direct Deposit Authorization Form. After the direct deposit request is approved by the OAG and the setup is completed on the Texas Identification Number System by the State Comptroller's Office, payment will be remitted by direct deposit and the OAG will continue to provide the Supreme Court with a copy of reimbursement vouchers.

4.8.8 Special Conditions. The OAG may, at its sole discretion, impose additional requirements not specifically provided for in this contract based on a need for information, ("Special Conditions") on GRANTEE, without notice and without amending this contract. The OAG, at its sole discretion, may supplement, amend, or adjust the Special Conditions of this contract. GRANTEE acknowledges and agrees in advance to satisfy the requirements of any Special Conditions imposed by OAG. The imposition of any Special Conditions places GRANTEE on immediate financial hold, consistent with section 9.2, without further notice, until all Special Conditions are satisfied.

SECTION 5. OBLIGATIONS OF OAG

5.1 Monitoring. The OAG is responsible for monitoring the Supreme Court to ensure the effective and efficient use of grant funds to accomplish the purposes of this contract.

5.2 Maximum Liability of OAG. The total amount of this contract shall not exceed the sum of **TWO MILLION FIVE HUNDRED THOUSAND AND NO/DOLLARS (\$2,500,000.00)**. Any change to the maximum liability of the OAG may only be achieved by a written, duly executed amendment to this contract.

5.3 Limited Reimbursement of Expenses. The OAG shall be obligated to reimburse the Supreme Court for all actual and allowable allocable costs incurred by the Supreme Court pursuant to this contract. The OAG is not obligated to pay unauthorized costs. Prior written approval from the OAG is required if the Supreme Court anticipates altering the scope of the grant, adding funds to previously un-awarded budget categories, changing funds in any awarded budget category by more than 10% of the annual budget and/or adding new line items to any awarded budget category.

Notwithstanding the foregoing, should the Supreme Court wish to alter the scope of the grant or change the goals of the grant by adding or eliminating goals which were included in the Supreme Court's Contractual Services included in Section 3 above, such alteration or change may only be

achieved by a written, duly executed amendment to this contract.

5.4 Contract Not Entitlement or Right. Reimbursement with contract funds is not an entitlement or right. Reimbursement, among other things, depends upon strict compliance with all terms, conditions and provision of this contract. The OAG and the Supreme Court agree that any act, action or representation by either party, their agents or employees that purports to increase the maximum liability of the OAG is void, unless a written amendment to this contract is first executed. The Supreme Court agrees that nothing in this contract will be interpreted to create an obligation or liability of the OAG in excess of the funds delineated in this contract.

5.5 Funding Limitation. The Supreme Court agrees that funding for this contract is subject to the actual receipt by the OAG of grant funds (state and/or federal) appropriated to the OAG. The Supreme Court agrees that the grant funds, if any, received from the OAG are limited by the term of each state biennium and by specific appropriation authority to and the spending authority of the OAG for the purpose of this contract. **The Supreme Court agrees that notwithstanding any other provision of this contract, if the OAG is not appropriated the funds or if the OAG does not receive the appropriated funds for this grant program, or if the funds appropriated to the OAG for this grant program, are required to be reallocated to fund other state programs or purposes, the OAG is not liable to pay the Supreme Court any remaining balance on this contract. The Supreme Court will take the necessary steps to ensure that the recipient and subrecipients understand and agree with this provision.**

SECTION 6. TERMINATION

6.1 Termination for Convenience. Either Party may, in its sole discretion, terminate this contract without recourse, liability or penalty, upon written notice to the other Party thirty (30) calendar days before the effective date of such termination.

6.2 Termination for Cause. In the event the Supreme Court fails to perform or comply with an obligation of the terms, conditions and provisions of this contract, the OAG may upon written notice of the breach to the Supreme Court immediately terminate all or any part of this contract.

6.3 Termination Not Exclusive Remedy; Survival of Terms and Conditions. Termination is not an exclusive remedy but will be in addition to any other rights and remedies provided in equity, by law, or under this contract.

Termination of this contract for any reason or expiration of this contract shall not release the Parties from any liability or obligation set forth in this contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination. The following terms and conditions, (in addition to any others that could reasonably be interpreted to survive but are not specifically identified), survive the termination or expiration of this contract: Sections 4, 11.10, and 12.

Section 7. AUDIT RIGHTS; RECORDS RETENTION

7.1 Duty to Maintain Records. The Supreme Court shall maintain and will ensure recipient and subrecipients maintain adequate records that enable the OAG to verify all reporting measures and request for reimbursements related to this contract. The Supreme Court also shall maintain and will ensure recipient and subrecipients maintain such records as are deemed necessary by the OAG, OAG's auditor, the State Auditor's Office or other auditors of the State of Texas, the federal government, or such other persons or entities designated by the OAG, to ensure proper accounting for all costs and performances related to this contract.

7.2 Records Retention. The Supreme Court shall maintain and retain for a period of seven (7) years after the submission of the final expenditure report, or until full and final resolution of all audit or litigation matters which arise after the expiration of a seven (7) year period after the submission of the final expenditure report, whichever time period is longer, such records as are necessary to fully disclose the extent of services provided under this contract, including but not limited to any daily activity reports and time distribution and attendance records, and other records that may show the basis of the charges made or performances delivered. The Supreme Court will take the necessary steps to ensure that the recipient and subrecipients understand and agree with this provision.

7.3 Audit Trails. The Supreme Court shall maintain appropriate audit trails to provide accountability for all reporting measures and requests for reimbursement. Audit trails maintained by the Supreme Court will, at a minimum, identify the supporting documentation prepared by the Supreme Court to permit an audit of its systems. The Supreme Court's automated systems, if any, must provide the means whereby authorized personnel have the ability to audit and to verify contractually required performances and to establish individual accountability for any action that can potentially cause access to, generation of, or modification of confidential information. The Supreme Court will take the necessary steps to ensure that the recipient and subrecipients understand and agree with this provision.

7.4 Access and Audit. At the request of the OAG, the Supreme Court shall grant access to and make available copies of all paper and electronic records, books, documents, accounting procedures, practices, and any other items relevant to the performance of this contract, compliance with applicable state or federal laws and regulations, and the operation and management of the Supreme Court to the OAG or its designees for the purposes of inspecting, auditing, or copying such items. The Supreme Court will direct any other entity, person, or contractor receiving funds directly under this contract or through a subcontract under this contract to likewise permit access to, inspection of, and reproduction of all books and records of the entity, person or contractor that pertain to this contract. All records, books, documents, accounting procedures, practices, and any other items, in whatever form, relevant to the performance of this contract, shall be subject to examination or audit. Whenever practical as determined by the sole discretion of the OAG, the OAG shall provide the Supreme Court with up to five (5) business days advance notice of any such examination or audit. The Supreme Court will take the necessary steps to ensure that the recipient and subrecipients understand and agree with this provision.

7.5 State Auditor. In addition to and without limitation on the other audit provisions of this contract, pursuant to Section 2262.154 of the Texas Government Code, the State Auditor's Office may conduct an audit or investigation of the Supreme Court or any other entity or person receiving funds from the State directly under this contract or indirectly through a subcontract under this contract. The acceptance of funds by the Supreme Court or any other entity or person directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the State Auditor's Office, under the direction of the Legislative Audit Committee, to conduct an audit or investigation in connection with those funds. Under the direction of the Legislative Audit Committee, the Supreme Court or another entity that is the subject of an audit or investigation by the State Auditor's Office must provide the State Auditor's Office with access to any information the State Auditor's Office considers relevant to the investigation or audit. The Supreme Court further agrees to cooperate fully with the State Auditor's Office in the conduct of the audit or investigation, including providing all records requested. The Supreme Court shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through the Supreme Court and the requirement to cooperate is included in any subcontract it awards. The State Auditor's Office shall at any time have access to and the right to examine, audit, excerpt, and transcribe any pertinent books, documents, working papers, and records of the Supreme Court related to this contract. The Supreme Court will take the necessary steps to ensure that the recipient and subrecipients understand and agree with this provision and with Section 321.022 of the Texas Government Code, which requires that suspected fraud and unlawful conduct be reported to the State Auditor's Office.

7.6 Location. Any audit of records shall be conducted at the Supreme Court principal place of business and/or the location(s) of the Supreme Court operations during the Supreme Court normal business hours and at the OAG's expense. The Supreme Court shall provide to OAG or its designees, on the Supreme Court premises (or if the audit is being performed of a subcontractor, the subcontractor's premises if necessary) space, office furnishings (including lockable cabinets), telephone and facsimile services, utilities and office-related equipment and duplicating services as OAG or its designees may reasonably require to perform the audits described in this contract.

SECTION 8. SUBMISSION OF INFORMATION TO THE OAG

The OAG will designate the proper methods for the delivery of information to the OAG by GRANTEE. The OAG generally requires submission of information via email. Some reporting requirements must occur via the internet and/or a web-based data collection method. Accordingly, all reports required under this contract including but not limited to semi-annual statistical reports, annual performance reports, financial status reports, requests for reimbursement, Annual Compiled Financial Statement Report, and any other reports, notices or information must be submitted in the manner directed by the OAG. The manner of delivery may be subject to change during the term of the contract, in the sole discretion of the OAG.

SECTION 9. CORRECTIVE ACTION PLANS AND SANCTIONS

The Parties agree to make a good faith effort to identify, communicate and resolve problems found by either the OAG or the Supreme Court.

9.1 Corrective Action Plans. If the OAG finds deficiencies in the Supreme Court's performance under this contract, the OAG, at its sole discretion, may impose one or more of the following remedies as part of a corrective action plan: increase in monitoring visits; require that additional or more detailed financial and/or programmatic reports be submitted; require prior approval for expenditures; require additional technical or management assistance and/or make modifications in business practices; reduce the contract amount; and/or terminate this contract. The foregoing are not exclusive remedies, and the OAG may impose other requirements that the OAG determines will be in the best interest of the State.

9.2 Financial Hold. Failure to comply with submission deadlines for required reports, invoices, or other requested information may result in the OAG, at its sole discretion, placing the Supreme Court on immediate financial hold without further notice to the Supreme Court and without first requiring a corrective action plan. No reimbursements will be processed until the requested information is submitted. If the Supreme Court is placed on financial hold, the OAG, at its sole discretion, may deny reimbursement requests associated with expenses incurred during the time the Supreme Court was placed on financial hold.

9.3 Sanctions. In addition to financial hold, the OAG, at its sole discretion, may impose other sanctions without first requiring a corrective action plan. The OAG, at its sole discretion, may impose sanctions, including, but not limited to, withholding or suspending funding, offsetting previous reimbursements, requiring repayment, disallowing claims for reimbursement, reducing funding, terminating this contract and/or any other appropriate sanction.

9.4 No Waiver. Notwithstanding the imposition of corrective actions, financial hold and/or sanctions, the Supreme Court remains responsible for complying with the contract terms and conditions. Corrective action plans, financial hold and/or sanctions do not excuse or operate as a waiver of prior failure to comply with this contract.

SECTION 10. GENERAL TERMS AND CONDITIONS

10.1 Federal and State Laws, Rules and Regulations, Directives, Guidelines, CODE OF FEDERAL REGULATIONS (CFR) and Other Relevant Authorities. The Supreme Court agrees to comply with all applicable federal and state laws, rules and regulations, directives, guidelines, CFRs, or any other authorities relevant to the performance of the Supreme Court under this contract, including any authorities relating to programmatic, financial, accounting and/or funding. The Supreme Court agrees to comply with applicable laws, executive orders, regulations, assurances and policies as well as Texas Government Code, Chapter 783, and the Texas Grant Management Standards (TxGMS). The Supreme Court will take the necessary steps to ensure the

recipient and subrecipients understand and agree with this provision. In instances where multiple requirements apply to the Supreme Court, recipients, or subrecipients, the more restrictive requirement applies.

10.2 Generally Accepted Accounting Principles or Other Recognized Accounting Principles. The Supreme Court shall adhere to Generally Accepted Accounting Principles (GAAP) promulgated by the American Institute of Certified Public Accountants, unless other recognized accounting principles are required by the Supreme Court. The Supreme Court shall also follow OAG fiscal management policies and procedures in processing and submitting requests for reimbursement and maintaining financial records related to this contract. The Supreme Court will take the necessary steps to ensure the recipient and subrecipients understand and agree with this provision.

10.3 Conflicts of Interest; Disclosure of Conflicts. The Supreme Court represents and warrants that performance under the contract or grant will not constitute an actual or potential conflict of interest or reasonably create an appearance of impropriety. The Supreme Court has not given or offered to give, nor does the Supreme Court intend to give, at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant or employee of the OAG, at any time during the negotiation of this contract or in connection with this contract, except as allowed under relevant state or federal law. Further, the Supreme Court represents and warrants that in the administration of the grant, it will comply with all conflict of interest prohibitions and disclosure requirements required by applicable law, rules, and policies, including Chapter 176 of the Texas Local Government Code. If circumstances change during the course of the contract or grant, GRANTEE shall promptly notify the OAG. The Supreme Court will establish safeguards to prohibit its employees from using their positions for a purpose that constitutes or presents the appearance of a personal or organizational conflict of interest or personal gain. The Supreme Court will operate with complete independence and objectivity without an actual, potential, or apparent conflict of interest with respect to its performance under this contract. The Supreme Court must disclose, in writing, within fifteen (15) calendar days of discovery, any existing or potential conflicts of interest relative to its performance under this contract. The Supreme Court will take the necessary steps to ensure the recipient and subrecipients understand and agree with this provision.

10.4 Compliance with Regulatory and Licensing Bodies. The Supreme Court agrees that it has obtained all licenses, certifications, permits and authorizations necessary to perform the responsibilities of this contract and currently is in good standing with all regulatory agencies that regulate any or all aspects of the Supreme Court business or operations. The Supreme Court agrees to remain in good standing with the Texas Secretary of State, the Texas Comptroller of Public Accounts and federal governmental bodies related to the Supreme Court's right to conduct its business in Texas. The Supreme Court agrees to comply with all applicable licenses, legal certifications, inspections, and any other applicable local ordinance or state or federal laws. The Supreme Court will take the necessary steps to ensure the recipient and subrecipients understand and agree with this provision.

SECTION 11. SPECIAL TERMS AND CONDITIONS

11.1 Independent Contractor Status; Indemnity and Hold Harmless Agreement. The Supreme Court will take the necessary steps to ensure that any recipient receiving funds from the Supreme Court under this contract understands and agrees that it is an independent contractor and under no circumstances shall any owners, incorporators, officers, directors, employees, or volunteers of any entity or recipient receiving funds be considered employees, agent, servant, joint venturer, joint enterpriser or partner of the OAG or the State of Texas. Further, the Supreme Court will take the necessary steps to ensure that any recipient and subrecipients receiving funds from the Supreme Court under this contract agree to be responsible for all types of claims whatsoever due to the actions or performance, including, but not limited to, the use of automobiles or other transportation, taken by its owners, incorporators, officers, directors, employees, volunteers or any third parties, and that the entity or recipient will indemnify and hold the OAG and the State of Texas harmless from and against any and all claims arising out of their actions or performance. **THE SUPREME COURT WILL TAKE THE NECESSARY STEPS TO ENSURE ANY RECIPIENT OR SUBRECIPIENT RECEIVING FUNDS FROM THE SUPREME COURT UNDER THIS CONTRACT SHALL BE OBLIGATED TO DEFEND, INDEMNIFY AND HOLD HARMLESS OAG AND THE STATE OF TEXAS, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEY FEES, AND EXPENSES ARISING OUT OF, OR RESULTING FROM ANY ACTS OR OMISSIONS OF THE ENTITY OR RECIPIENT, OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT AND ANY PURCHASE ORDERS ISSUED UNDER THE CONTRACT. THE SUPREME COURT WILL TAKE THE NECESSARY STEPS TO ENSURE THAT THE DEFENSE SHALL BE COORDINATED BY ANY RECIPIENT OR SUBRECIPIENT RECEIVING FUNDS FROM THE SUPREME COURT UNDER THIS CONTRACT WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND THAT A RECIPIENT OR SUBRECIPIENT RECEIVING FUNDS FROM THE SUPREME COURT UNDER THIS CONTRACT MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. THE SUPREME COURT WILL TAKE THE NECESSARY STEPS TO ENSURE ANY RECIPIENT OR SUBRECIPIENT RECEIVING FUNDS FROM THE SUPREME COURT UNDER THIS CONTRACT AND THE OAG AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.**

11.2 Publicity; Intellectual Property. The Supreme Court will take the necessary steps to ensure the recipient and subrecipients understand and agree to not name the OAG in general or the Attorney General of the State of Texas specifically, in any publication, promotion, marketing, media release, public service announcement, or any other type of communication by the recipient and subrecipients (nor may the recipient and subrecipients authorize anyone else to do so), without

the express written consent of the OAG.

The above provisions may not be applicable in any case where the recipient and subrecipients determines in good faith that the indigent person seeking legal assistance has made reasonable efforts to obtain the services of an attorney in private practice for the particular matter (including contacting attorneys in private practice in the county of residence of the indigent person who normally accept cases of a similar nature), and has been unable to obtain such services because the potential fee is inadequate, is likely to be uncollectible, would substantially consume any recovery by the client, or because of any other reason which the organization, acting in good faith, believes prevents the client from obtaining the services of a private attorney.

11.11.4 Other Restrictions. Grant funds shall not be used to directly fund class action suits, lawsuits against governmental entities, or lobbying for or against any candidate or issue.

11.11.7 Retainer Agreements and Private Referrals. Except for matters involving limited advice and brief services (e.g. clinics, hotlines, and similar services), the recipient and subrecipients shall execute a written retainer agreement, or letter of engagement, containing appropriate provisions for withdrawal of representation, with each client who receives legal services from the recipient and subrecipients. For cases that are referred by the recipient and subrecipients to a private attorney, the recipient and subrecipients shall make available to the accepting attorney a standard form retainer agreement which may be modified based on the agreement between the attorney and client.
